GIVE

There's a problem...

- **870 million** people are hungry today.
- Malnutrition is a silent killer. Since it's not recorded on death certificates, it doesn't get much attention. But every year, malnutrition is the underlying cause of **2.6 million child deaths**.
- More than 1/3 of children in Asia are stunted (too small for their age from not developing properly), a sign of **chronic malnutrition**.
- Of those who survive, adults who were malnourished as children earn at least 20% less on average than those who weren't.

Meet Omar

Omar, from El Salvador, weighed only **19 pounds at 8 years old**. On the brink of death, Omar was provided with all-vegetarian MannaPack Rice meals, developed by food scientists to quickly reverse and prevent malnutrition. Already, you can see the difference made in the 2nd photo after eating only 16 meals. **6 months and only \$40 later, Omar weighed a healthy 73 pounds!**

**For less than a quarter,
22¢, we can feed a child
for a day.**

Make a Difference

For 30 hours, join others in going without food and standing in solidarity with the hungry. As you fast, ask people you know to support your efforts by giving a donation that will provide meals for starving children. Then, celebrate what you've accomplished by breaking the fast with friends over a meal. Go hungry so others won't have to.

Here's a fun way to involve children & youth! Collect quarters using mini M&M tubes. Each tube can hold \$14 worth of quarters, which will feed a child for 9 weeks!

Help raise awareness and donations at the same time by assembling a simple donation jar (resources online) and placing them in a public place, like your work cubicle, lunch room, business' front desk, school office, friend's coffee shop, etc.

Consider becoming a MobilePack 2013 Partner by contributing to both the fundraising and recruiting volunteers. This is ideal for church, school, and community groups who are looking to make a difference! For more info, please visit www.food4others.org.

Consider becoming a MobilePack 2013 Sponsor! 1,200 local volunteers will participate in this event. This is a great opportunity to promote your business' name while also contributing to a great cause and community effort. Contact us at food@4others.org or visit us online at www.food4others.org to see how your company can get involved.

Or, simply give a donation—knowing that every dollar received will feed hungry children.
