

Thank you for your interest in our Discipleship Training School. Many have testified to the dynamic, life changing experiences that happen on the DTS. It can be a great time of adventure and growth as you come to know God in a whole new dimension.

Completing this confidential application is the **first step** in beginning the adventure.

The DTS has a “live-learn” philosophy that is designed to help Christians know God personally and to make Him known as a **lifestyle** at home and in the nations of the world. While on the DTS, we endeavour to create a community that is based on the scriptural principle of a body of believers who are one in spirit, working together towards the same objectives. The teaching has a strong emphasis on Christian character development and personal application of truth.

The DTS is certainly a **one of a kind** experience. Our YWAM Outback DTS runs over five and half months and has lectures integrated with outreach (field assignments) and camping. This enables you to fully process what you are learning while taking full advantage of applying these principles as you travel into various communities. At the end of our school, the students will come back together to process all that God has done in their lives, to consider their next steps in life, and to have a graduation night. After that, the **sky's the limit!**
