

From the Heart of Our Pastor

"...The Love of Many Will Wax Cold"

October 2015

According to Mathew 24:12, in the last days, the love of many will grow: uncaring, unloving, worldly, selfish, making our own ways, worshipping nature, following worldly ideas, medicated, worshipping things of the world....worldwide just as a current of wind blows through an area so this wickedness will try to consume all.

Paul's letter to Timothy gives us an accurate description of what to expect in the last days. *"But know this, that in the last days perilous times will come: For men will be lovers of themselves, lovers of money, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy, unloving, unforgiving, slanderers, without self-control, brutal, despisers of good, traitors, headstrong, haughty, lovers of pleasure rather than lovers of God, having a form of godliness but denying its power."*

This is a condition that affects the heart, or will of a person. Satan begins by distracting us from God. His Word and His promises. We become self-consumed as he sends arrows of doubt, fear and worry into our thoughts trying to destroy our faith. The body of Christ must awaken and realize the tactics of the enemy to subvert the plans of God.

I believe there is a strong current, like a mighty force, sweeping over people turning their hearts cold towards others. I want to encourage you to keep your eyes open to your ways and thoughts; be careful not to become coldhearted and uncaring for others. Let us not allow the current ungodliness of this world to cause us to drift and not be aware of our ways.

Lord, open our eyes, our ears and our hearts to your call. Set our feet back on the right path and give us discernment when we start to slip. Keep us from honoring you with only our lips and not our hearts. Give us a love for others and teach us to consider others above ourselves. Forgive us for our cold self-centeredness. Grant us a love for others, a heart of mercy, a heart of grace and forgiveness as you have showered the same upon us.
