

Worship

In our Worship services, God shares Himself with us, in His truth and love through His Word and Sacraments to forgive and strengthen us for life. He does this for us to have faith to share His truth in love in our lives.

In response to His love, during our worship services, we express our faith in the confession of our sins, our praise and thanks to Him in songs and prayers. We continue carrying out His message of love and truth in our daily lives for others to see Jesus in us.

Our whole life is worship, that is centered around God's Word and Sacraments. *"I rejoiced with those who said to me, 'Let us go to the house of the LORD.'"* (Psalm 122:1)

We show and tell others how much we are worth to God in Jesus Christ, and how much He is worth to us. We worship, so others will know God as their Savior to worship too.
