

WARRANTY FOR RR MODEL 250 ENGINE ACCESSORIES

NOTE: These Standard Terms and Conditions of Sale of Accurate Accessories, LLC (hereafter "ACC") together with the terms of sale and set forth in our signed proposal (Proposal) submitted to you, will be the only terms of sale applicable to our provision of parts and components (Accessory) described in the proposal and will comprise the whole agreement (Agreement) for these services. In this agreement "you", "your" and "customer"

WARRANTY

Accurate Accessories, LLC (ACC) warrants that the repair and overhaul performed by ACC shall be free from defects in workmanship for the applicable warranty period subject to the terms and conditions herein. A defect shall mean the failure of an accessory to function in accordance with the applicable airworthiness authority's or OEM's requirements due to ACC workmanship. New parts embodied by ACC during on overhaul or repair shall be subject to the OEM's new part warranty. ACC warrants the any other parts embodied by ACC which have been subjected to the full ACC Quality Assurance and Inspection shall be free from defects for the applicable warranty period only to the extent that such defects are reasonably ascertainable. ACC reserves the right to modify this warranty at our discretion on a case by case situation.

WARRANTY PERIOD AND COVERAGE

This warranty shall be effective during the following periods. The warranty period shall be the Engine Operating Time as measured in hours or the number of months prescribed, whichever occurs first.

- ACCESSORY OVERHAUL: 1000 HOURS. FROM INSTALLATION: 12 MONTHS SINCE SHIPPED: 1000 HOURS
- ACCESSORY REPAIR: 500 HOURS FROM INSTALLATION: 6 MONTHS SINCE SHIPPED: 12 MONTHS
- OEM NEW PARTS per OHM: 1000 HOURS FROM INSTALLATION:12 MONTHS SINCE SHIPPED: 12 MONTHS

WARRANTY CLAIMS

To obtain warranty coverage, defects in workmanship must be discovered within the warranty period and Accurate Accessories (ACC) must be given prompt notice in writing no later than 3 days from the date the Customer knew or should have known of the defect. The accessory must be returned to ACC no later than 30 days after such notification is made at Customers expense. The Customer must make any previously Attached or related parts available to ACC upon request to assist in determining the cause of the failure.

ACC will assist the Customer by administering ne parts warrant claims with the OEM on behalf of the Customer in accordance with OEM warranty policies. ACC will also assist the Customer by requesting that ACC's suppliers' and subcontractors' warranties with respect to parts embodied in or services provided on Customer accessories will be extended to and be enforceable by the Customer.

Accessory items for which a warranty claim has been allowed, shall be returned to the Customer at ACC's expense. I the event that a warranty claim is denied, the accessory item will be returned to the Customer C.O.D. and the cost of disassembly, inspection and/or reassembly to disclose claimed defect and the cost of preparation of any technical report shall be borne by the Customer at ACC's current rate.

CONDITIONS FOR WARRANTY COVERAGE

The warranty is extended to the Customers that originally contracted ACC to perform the test, repair and/or overhaul service. This warranty may be transferred to another party with prior written approval by ACC.

Warranty coverage may be denied if the accessory item: (1) has not been maintained and operated in accordance with ACC's recommendation and the OEM's directives and instruction; (2) has been altered or repaired outside of ACC's facilities; or (3) has been subjected to misuse, neglect, accident or damage from the elements.

WARRANTY LIMITATIONS and EXCLUSIONS

ACC will does not warrant parts embodied or services performed by other companies. The obligation of ACC under this warranty is limited to the repair or replacement of the parts which failed due to defects in ACC's workmanship and shall not include the costs of parts or labor necessary for the disassembly, reassembly, or testing of the major assembly in which the defect occurred. In the event life-limited parts covered by this warranty are damaged beyond repair, ACC shall only be obligated for the replacement value of such parts.

This warranty does not included, and ACC will not be liable for any other remedy or liability for incidental or consequential damages of any kind, including but not limited to such damages resulting from a breach of contract or warranty, alleged negligence or otherwise, damage to the airframe or other property, costs or expense of operation of the engine, module, or part or other equipment, loss of use of the aircraft, lost profits or reserve, cost of capital, cost of substitute equipment, facilities or services, downtime costs, collection costs, attorneys fees, damages of any type, or claims of Customer's buyers or

third parties for such damages, or any other loss, claim or demand of any description. Unresolved warranty disputed shall be referred to binding arbitration pursuant to the laws and in the location to be to be determined solely by ACC.

INDEMNITY

Customer shall indemnify, defend, save, and hold harmless ACC, directors, servants and employees thereof, from and against any and all responsibilities, liabilities, claims, demands, suits, judgments, losses, damages, costs, and expenses for any loss of, damage to, or destruction of any property or any injury to or death of any person arising from customer's use, operation, repair, maintenance, or disposition of the accessory, however, customer shall not be required to indemnify ACC for claims or liabilities arising from ACC negligence or misconduct or breach of its obligations arising under this agreement.
