

PSALM 53

CAN MAN SURVIVE WITHOUT GOD?

Introduction:

Roby Zacharius wrote a book by this title. In it he demonstrates the folly of seeking to live life without God. This is the course that Western man has chosen. We have chosen to walk down a well-worn path of godlessness thinking that we are different. We mistakenly believe that the consequences will be different for us.

David reached the same conclusion as Zacharius. Nothing works right when God is denied.

- I. GODLESSNESS RELEASES THE CORRUPTION OF THE HUMAN HEART.
- II. GODLESSNESS OFFENDS THE LIVING GOD.
- III. GODLESSNESS EXPOSES LIFE TO CRIPPLING FEARS.
- IV. GODLESSNESS CAN BE CURED BY DIVINE SALVATION.
