

THE STRENGTH OF GOD'S GOODNESS

PSALM 52

Introduction:

We often discover God's goodness in the presence of evil. When evil has done its worst, God intervenes to reveal his goodness.

This happened to David when he was betrayed by Doeg the Edomite.

- I. GOD'S GOODNESS WITHSTANDS EVIL. (V. 1-7)
- II. GOD'S GOODNESS SUSTAINS HIS OWN. (V. 8-9)
